

# **Tacoma Housing Authority is seeking Educational Service Providers**

to join as tenants or owners in Salishan's new Education, Training and Retail Center. THA will build, own and manage this three story, 36,000 square foot, building. The first floor will have Swan Creek Library, an early child development child care center, a bank or credit union, and a green grocer/deli. The second and third floor will host programs by Educational Partners designed to take a child or adult wherever they are in their education and training and push them further.
