## RESOLUTION No. 2012-2-22 (3)

DATE: February 22, 2012  
TO: Board of Commissioners  
FROM: Michael Mirra, Executive Director  
RE: HILLSIDE TERRACE PHASE I REDEVELOPMENT – INDUCEMENT  
RESOLUTION

### **Background**

The Hillside Terrace Phase I redevelopment financing is structured to use Tax-Exempt Private Activity Bonds, 4% Tax Credits, and other State and Local Funds. With the utilization of Tax-Exempt Private Activity Bonds the Authority must take official action as the issuing entity to qualify "good costs" and "bad costs" and the ability of the bond proceeds to pay for these cost. Under the so-called "good costs bad costs" test, at least 95% of bond proceeds must be used to pay or reimburse "good costs" of the project which were paid or incurred no earlier than 60 days before the issuer took official action. The official action is passing an Inducement Resolution evidencing its intent to issue bonds to provide financing for the facility.

Good costs are costs (i) which represent land or costs which the Owner may or is required to treat as depreciable for federal income tax purposes (i.e., capital or "brick and sticks" types of items (including construction period interest); and (ii) which are paid or incurred after the date not earlier than 60 days before Inducement Resolution. Bad costs include working capital, post construction period interest and various other non-depreciable costs. No more than 5% of net Bond proceeds can be used to fund bad costs. Bad costs in excess of 5% may be paid from equity, taxable bond proceeds or other sources other than tax-exempt Bond proceeds.

As the Inducement Resolution simply announces the Authority's intent to issue bonds at a later date, it poses no risk to the Authority. The resolution meets state and federal statutory requirements but does not obligate the Authority to issue bonds for the project.

### **Recommendation**

Approve Resolution No. 2012-2-22(3) which declares the Authority's intent to sell bonds in an amount not to exceed \$12,000,000.

***Resolved by the Board of Commissioners of the Housing Authority of the City of Tacoma, Washington as follows:***

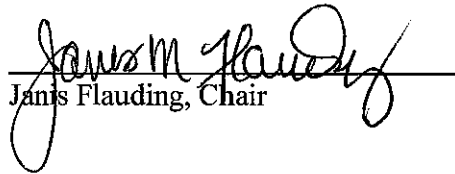

1. To assist in the financing of the Project, with the public benefits resulting therefrom, the Authority declares its intention, subject to the conditions and terms set forth herein, to issue and sell its revenue bonds or other obligations (the "Bonds") in a principal amount of not to exceed \$12,000,000, and to reimburse itself or the Borrower, as applicable, from proceeds of the Bonds for expenditures for the Project made by itself or the Borrower before the issue date of the Bonds.
2. The proceeds of the Bonds will be used to assist in financing the Project, and may also be used to pay all or part of the costs incident to the authorization, sale, issuance and delivery of the Bonds.
3. The Bonds will be payable solely from the revenues derived as a result of the Project financed by the Bonds, including, without limitation, amounts received under the terms of any financing document or by reason of any additional security furnished by or on behalf of the Borrower in connection with the financing of the Project, as specified by resolution of the Board of Commissioners of the Authority. The Bonds may be issued in one or more series, and shall bear such rate or rates of interest, payable at such times, shall mature at such time or times, in such amount or amounts, shall have such security, and shall contain such other terms, conditions and covenants as shall later be provided by resolution of the Board of Commissioners of the Authority.
4. The Bonds shall be issued subject to the conditions that (a) the Authority, the Borrower and the purchaser of the Bonds shall have first agreed to mutually acceptable terms for the Bonds and the sale and delivery thereof and mutually acceptable terms and conditions of the loan or other agreement for the Project, and (b) all governmental approvals and certifications and findings required by laws applicable to the Bonds first shall have been obtained. The Executive Director of the Authority or his or her designee is authorized to seek an allocation of volume cap for the Bonds from the Washington State Department of Commerce.
5. For purposes of applicable Treasury Regulations, the Borrower is authorized to commence financing of the Project and advance such funds as may be necessary therefor, subject to reimbursement for all expenditures to the extent provided herein out of proceeds, if any, of the issue of Bonds authorized herein. However, the adoption of this resolution does not constitute a guarantee that the Bonds will be

issued or that the Project will be financed as described herein, or an endorsement of the Project by the Authority. The Board of Commissioners of the Authority shall have the absolute right to rescind this resolution at any time if it determines in its sole judgment that the risks associated with the issuance of the Bonds are unacceptable.

6. It is intended that this resolution shall constitute a declaration of official intent to reimburse expenditures for the Project made before the issue date of the Bonds from proceeds of the Bonds, for the purposes of Treasury Regulations Sections 1.103-8(a)(5) and 1.150-2.
