Date:

June 22, 2011

To:

THA Board of Commissioners

From:

Michael Mirra

**Executive Director** 

Re:

Revised FY 2011 Agency Budget

#### **Background**

Each year, the Housing Authority of the City of Tacoma, (THA) prepares an annual budget for its upcoming fiscal year. The Annual Budget reflects an estimate of expected revenues and expenditures for each of its major programs. It is also detailed by department, with the expectation that each Department Director will manage and control their department budget in accordance with Federal, State and Local regulations.

The original FY 2011 Budget was submitted and approved by the Board of Commissioners during the June, 2010 Board of Commissioners meeting. Subsequently, THA has received approval from HUD to change its Fiscal Year to a calendar year. In order to transition to a calendar year, THA's 2011 Fiscal year has been extended from 12 months to 18 months and will end on December 31. THA normally does a mid-year review where staff updates the budget based on more current information. Accordingly, THA is revising its FY 2011 budget to reflect the changes and extend the budget to reflect the current Fiscal Year's 18 month period.

The budget revision reflects actual expenses through December 31<sup>st</sup>, 2010, and projections for Calendar Year 2011. These projections are based on previous years' data, and what had been expended for the initial six month period. Since this is only a budget revision, we did not use a full budget development process; yet staff was consulted, and provided substantial input for the revisions we are proposing for the board's approval. A board study session was held on June 10, 2011 to discuss the revision.

## Recommendation

Approve Resolution 2011-06-22 (1) to formally approve THA's Revised FY 2011 Budget.
