Salishan Five LLC developed an affordable rental housing project located at 1728 East 44th Street, Tacoma, Washington (the "Salishan Five Project"), on property owned by THA that was leased by THA to Salishan Five LLC. Of the 90 units of rental housing in the Salishan Five Project, 45 units currently are administered as public housing units pursuant to a Mixed-Finance Amendment to Consolidated Annual Contributions Contract dated June 25, 2008, between THA and HUD, and a Regulatory and Operating Agreement for Mixed Income Project dated as of June 26, 2008, between THA and Salishan Five LLC. Commerce, and loans from THA funded with THA program income, HUD capital funds, United Way grant proceeds, and TCRA loan proceeds.

THA has applied to HUD to allow the HTI Project, the HTII Project, the Salishan One Project, the Salishan Two Project, the Salishan Three Project, the Salishan Four Project, the Salishan Five Project and the Salishan Six Project (collectively, the "RAD Projects") to be converted from a public housing project to a project-based Section 8 project under HUD's Rental Assistance Demonstration ("RAD") program, and HUD has approved of such conversions, subject to the meeting of certain conditions by the various limited partnerships and limited liability companies and by THA. One of such conditions is the requirement that certain rehabilitation improvements be made to each project. THA expects to make loans to the limited partnerships and limited liability companies to finance their rehabilitation expenditures. THA staff anticipates that the Section 8 rental subsidy paid to each limited partnership or limited liability company will enable the rehabilitation loans to be repaid.

The four public housing units located at the HT1500 Project will be removed from THA's public housing inventory as a *de minimis* reduction through the RAD program.

In connection with the conversion of the RAD Projects from public housing projects to project-based Section 8 projects, and the *de minimis* reduction of public housing units at the HT1500 Project, certain provisions of partnership agreements, operating agreements, project leases, loan documents and related documents must be amended, certain existing public housing agreements must be terminated, and certain RAD program agreements must be entered.

Resolution 2016-07-27(2) will authorize THA to execute all documents related to the conversions of any or all of the RAD Projects to project-based Section 8 projects under the RAD program, and the *de minimis* reduction of four public housing units at the HT1500 Project.

Recommendation

Approve Resolution 2016-07-27(2).
